TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. **Failure to timely respond** to this notice will result in:

**Abandonment** of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

**Non-entry** of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other: The amendment does not properly identify all of the additions and deletions from or to the previous claim phrasing. For example, claim 19, at the second element, contains the word "received"; however, that term is not present in the amended claim, yet is not marked as deleted; also, at the graphical user interface element of claim 19, the term "by the mobile phone" is indicated as deleted by strike through, however, that term was not included in the previous claim version. These examples were noticed by the Examiner, however, the Examiner is uncertain whether other incorrect editing markings have gone unnoticed, and therefore requests Applicant review the amendment for complete marking correctness, at claim 19 and other claims.
